860-610-0478
info@ccat.us
www.ccat.us

A nonprofit creating and implementing bold ideas for applied technologies, IT strategies, energy solutions, STEM education and career development. CCAT helps manufacturers, academia, government and nonprofit organizations to excel. Leads the Connecticut Dream It Do It (CTDIDI) program, which is one of more than 40 state efforts focused on developing an awareness of rewarding careers in manufacturing as part of The National Association of Manufacturers and The Manufacturing Institute's nationwide campaign to create a positive image of today's manufacturing. <http://ctdidi.com/resources/resources-for-manufacturers/>

CCAT Advanced Manufacturing Center showcases, demonstrates and evaluates leading-edge equipment and systems through a network of machining and software companies.
